The COTC Scholarship Announcement

(Beverly Hills, CA January 14, 2016) Two scholarships are being considered by the Children of the Caribbean Foundation (“COTC”), for 2016. The scholarships are US\$1,000 each. The application deadline for this year’s scholarships is March 31, 2016. Children of the Caribbean, Foundation believes that a college education is the gateway to the middle class. While we encourage academic excellence, we are aware that children with less than average financial means do not excel at the same academic levels as children with financial means. Consequently, the COTC scholarship is a needs-based scholarship to assist the child with less than competitive grades to meet the costs of studying in the United States or one of its territories.

The Scholarship application is available online at: <http://childrenofthecaribbean.org/cotc-scholarship-application/>

Children of the Caribbean, Inc. would like to thank all of the firms, individuals, and corporations that contribute to the Foundation. Your contributions are making a difference and are greatly appreciated. Since the Foundation was created in 2010, it has provided scholarships totaling over \$20,000 to deserving students across the Caribbean.
